

optio

Accident & Health

At Optio, we operate not only as a capacity provider but also supporting other MGA's to achieve their goals. We have a proven track record for both innovation and first-class service levels, using 'best of breed' TPA's and service providers. With a wealth of global experience in both insurance and reinsurance to provide all your A&H solutions.

Optio works closely with our clients, developing insurance solutions that are relevant, comprehensive and affordable to meet customer's needs.

We only write business introduced through brokers or MGA's we do not operate directly with end clients.
